1. Terms and Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Alaska Energy Authority (AEA)
For St. George Rural Power System Upgrade
Award No. 01421, Amendment 2
March 2017***

All changes to the award conditions are noted below.

Award Closeout and De-obligation Of Funding

This amendment closes out this award and corrects an error on the cover sheet of Amendment 1 which failed to show the reduction in the funding amount from the State of Alaska from \$3,104,000 to \$1,700,000 to reflect only funds utilized for the rural power system upgrade. The original award document included \$1,404,000 in State of Alaska funds for a renewable energy project.

The amended award provides \$2,100,000 in Denali Commission funds for a rural power system upgrade in St. George, Alaska (AEA project number 350297). Match funding in the amount of \$1,700,000 is provided by the State of Alaska, for a project total of \$3,800,000.
